E-Series Swim Spas

E500

Get results. Exhale. Share good times.

How much can you accomplish with just 4.5 m of space? You'd be surprised! Welcome to the Endless™ Pools E500 swim spa. It packs unlimited potential for fitness, swimming, family fun, and relaxation into one space-saving footprint.

The E500 is the most compact and affordable swim spa to feature the signature Endless Pools Hydrodrive™ technology. Smooth, spacious, and versatile for all levels, the current lets you swim without interruption and add resistance to any aquatic exercise; plus, it's a sure-fire way to get kids to put down their screens and engage in active play! With its stellar design, revitalising hydromassage seats and optional underwater treadmill, the E500 fits the luxury of a world-class swim spa into almost any space.
